David Rivett is well known with his band 'The Pioneers'. Dave and Liz Rivett have played all the major folk festivals in WA since the late 1970's. On his own Dave plays some of the Australiana folk/country music the Pioneers are known best for, but he also plays more of his original music, songs that don't get featured in the Pioneers, and some mellow guitar instrumentals with a jazzy/bluesy influence. At Hainault Dave will be creating a relaxed laid back musical ambience to harmonise with the natural peace of Bickley valley.
